System Hub

THE NUMBERS YOU ALREADY TRACK

Yesterday's KPIs, before service starts.

Daily and weekly figures for the venue, entered by the manager and reviewed by the owner. One dashboard per location.

For Owners and area managers who rebuild the same spreadsheet every Monday.

THE PAPER VERSION

Covers, labour, and the numbers that matter sit in different files, a day late.

IN THIS MODULE

- A dashboard for the location
- Daily KPI entry
- Weekly KPI views
- The figures your venue actually uses
- A look back before the next service
- The same login as the rest of the hub

Managers enter the numbers. The sheet does not invent them.
