THE TEAM ON SHIFT

Tasks, time, and training for the people on the rota.

Assign the work, see who is on shift, and keep holiday requests, documents, and training in the same login.

For Managers who chase timesheets and certificates over WhatsApp.

THE PAPER VERSION

The task was said out loud. The certificate is in a folder. The holiday request is on a scrap of paper.

IN THIS MODULE

- Tasks assigned to a person on shift
- Timesheets to approve
- Holiday requests
- Contracts and certificates stored on the person
- Training visible against the team
- A staff view for the current location

Food Safety can show training records held here. It does not replace them.
