INVOICES, NOT A SECOND ACCOUNTS PACKAGE

Supplier bills and money owed, next to the venue.

Record what you owe, what you are owed, and when it was paid. Keep the paper invoice on the record.

For Owners and bookkeepers chasing invoices that live in email and a tray.

THE PAPER VERSION

A supplier bill arrives, gets photographed, and still cannot be found at month-end.

IN THIS MODULE

- Invoices payable — money you owe
- Invoices receivable — money owed to you
- Payments marked when they are settled
- Vendor records for the location
- A PDF or photo of the paper invoice
- Access limited to finance roles

This sits beside your accounts package. It does not replace it.
