REGULATORY REFORM (FIRE SAFETY) ORDER 2005

# Fire checks during the week. Not a binder at month-end.

Weekly alarm tests, extinguishers, emergency lighting, escape routes, and drills — dated, named, and ready for the Responsible Person to hand over.

**For** The Responsible Person, general managers, and anyone who currently keeps the fire log in a folder.

PHONE TABLET LAPTOP

## THE PAPER VERSION

Alarm tests and equipment checks sit on clipboards and get written up at the end of the week.

## IN THIS MODULE

- Weekly fire-alarm tests and activation records
- Extinguisher, blanket, and hose-reel inspections
- Monthly emergency-lighting tests
- Fire doors and means of escape
- Training, drills, and service-visit records
- Defects and the remedial action that followed

Add Food Safety and this logbook is £8/week per location incl VAT, not £10.

**£5**

per week, per location, incl VAT

Fire Safety trial. 14 days free. No card.

System Hub · Oriel Technology Ltd · Milton Keynes · system-hub.co.uk

14-day trial, no card. Then a weekly Stripe subscription, per location, including VAT. Cancel anytime; access lasts until the end of that week.

Records help you show what was done, and when. They do not guarantee an inspection result or a hygiene rating.
