System Hub

TEXT AND EMAIL

# Write to the guests you already have.

Text and email campaigns to tagged, opted-in customers on the System Hub list. Not a rented address book.

**For** Owners who want a Tuesday filling, and only want to contact people who asked to hear from them.

## THE PAPER VERSION

The guest list is in one place and the mailing tool is in another, so the send never happens.

## IN THIS MODULE

- Email campaigns
- Text campaigns
- Segments from customer tags
- Sends scheduled ahead of service
- Only guests who have opted in
- The Customer list — no separate import to get started

Permission to contact sits with the guest. The tool will not decide that for you.
